Values & Actions we can do to meet it		
Integrity	Empathy	Empowerment
Be on time: we need to model things	Sit next to others: sit next to other people that you haven't before	Resolutions: taking the voice of those who may not be heard and bringing it to the light
Do what you say you'll do: following through with things	Meeting people: where they are, go to them (ask them to get lunch with you!)	Delegating: creating and giving projects for others (committee members to do)
Conducting feedback surveys: getting criticism and opinions on what others think of you	Understanding different passions and enthusiasm: - supporting others and be interested in what they are	Sitting w/ new members: meeting and sitting with someone new
	Ask people how they're doing: get to know what someone is going through	Inviting members to the office: go somewhere w/ them
