February 6th, 2020
MU 303, BEGINNING 5:15PM

Canvas: Members don't check and it's not fulfilling what we want it to fill. Not as effective as we wanted it to be, but maybe sticking to one weekly message so things are easier kept up with. Updating the calendar using the sga megadoc. Live image of calendar on sga's canvas page.

Point System: A member requirement policy. On SGA Megadoc, encompasses cage points as well - 4 points for sga (like membership events), 4 service points (cage and regular service points), Engagement points will go to non-sga events. 10 points per semester. A google form for all points has been created for submission. This will be changed within the constitution Debate - There's always been a debate over service hours and members dropping recently due to time commitments. A lot of people are involved in many organizations at once. This will just help increase attendance at events and help people become more engaged.
