Key

OCL enhances student life by providing resources, support services, and educational programming for students living in off-campus housing.

UDAP is a JMU-sponsored program that protects students’ credit ratings and allows water, gas, and electric service connections without a deposit.

The UDAP contract is a one-year, 10% non-refundable contract that begins August 16. After purchasing a UDAP contract, JMU becomes the guarantor for payments of up to $200 for gas, $300 for electric, and $180 for water if students default on payments.

UDAP contracts pay default payments, that amount is added to the student’s JMU tuition bill and a hold will be placed on his or her JMU account. If the default amount exceeds the UDAP limit, that portion is turned over to a collection agency.

To be eligible for UDAP, which is purchased through MyMadison, the student must be a currently active full-time degree-seeking student.

To purchase a contract, please visit: http://udap.jmu.edu. For more information, please visit: http://udap.jmu.edu.
